Futures of Higher Education in Mauritius: Survey

The Ministry of Education, Tertiary Education, Science and Technology, is working on a National Strategy for Higher Education. The preliminary workings will take the form of a workshop entitled the “Futures of Higher Education in Mauritius.”

The Ministry of Education, Tertiary Education, Science and Technology invites you to fill up the survey form at the following link <https://forms.office.com/r/DH2cKjDcsJ> and provide your vision of the future of higher education in Mauritius.

Your submission will remain confidential and will be used to draft a shared vision document for the local higher education sector. The vision document will eventually be used to prepare a National Strategy for Higher Education in Mauritius by 2040.

It would be much appreciated if you could submit your inputs by **Wednesday 15 March 2023**, please.

We thank you once again for your continued cordial collaboration.
