### Preliminary Verification before installing of the APK application: <One Time Process>

Step 1a: Date & Time to be in Mauritius Time Zone (GMT+4:00). If not, the Tablet must be setup in Mauritius Time Zone.

*(Note: All the Tablets that are commissioned have been set to GMT+4:00 as default time.)*

### Connect to the internet and continue the steps given below:

For setting of the Time Zone into Mauritius Time Zone, the following steps to be followed. Refer to Pic-2, Pic-3 & Pic-4

Step 1b: Open settings and type "Date and time" in the search bar of the Tablet. And select the "Date and time" as it appears in the search list.
