

## **Update on application to the Research and Ethics Committee**

Applicants to the Research and Ethics Committee on Education are informed as hereunder:

1. Those wishing to undertake research in or on any of the pre-primary, primary, secondary, TVET and Special Education Needs sectors are invited to contact the Office of the Chief Technical Officer ([cto-office@govmu.org](mailto:cto-office@govmu.org)) at the Ministry of Education and Human Resources for further information on the new process to obtain approval for those sectors.
2. Those wishing to undertake research in and on the Tertiary Education sector are invited to contact their respective Head of Institution for further information on the new process for those sectors.
3. The above also applies to those who have applied to the Research and Ethics Committee and who have not yet obtained a formal communication.
