

## **PRE-PRIMARY SCHOOL MANAGERS – REPRESENTATIONS (16/05/17)**

**Ms M. Sewocksingh (Third Member for Curepipe & Midlands):** Thank you, Madam Speaker. The matter concerns the Minister of Education. There is a group of Pre-Primary School Managers who have regrouped themselves in an association and some of them are from my constituency. They have many issues, many constraints, Madam. They have tried to contact the Ministry several times, but no reply. The last time they sent a mail was on 30 March 2017. I am just tabling the mail, copy of the letter. So, I would humbly request the Minister if she can try to contact these people, get a meeting with them and see how she can solve their problems.

**The Minister of Education and Human Resources, Tertiary Education and Scientific Research (Mrs L. D. Dookun-Luchoomun):** Madam Speaker, the Early Childhood Care and Education Authority normally takes care of the pre-primary schools, but, obviously, if they send some correspondence to the Ministry, my officers will be looking into it and I will take care to see what exactly it is about.

**Madam Speaker:** Hon. Lepoigneur!
