

## **Workshop on Culture/2030 Indicators**

UNESCO in collaboration with the UNESCO Institute for Statistics (UIS) has developed the Culture/2030 indicators with a view to measure culture's contribution to the national and local implementation transversally to the different Goals and Targets of the 2030 Agenda.

In this regard, UNESCO is organizing an international Experts Workshop from **6 to 8 April 2020 in Bangkok, Thailand** and is inviting Member States to recommend experts to participate in the workshop. More information on the workshop is available in the attached Concept Note – (Annex 1 – see attachment)

Experts should be in the field of statistics, economics, researchers in social sciences, public policies related to cultural fields with a minimum of 10 years of experience relating to data collection in the context of development project or cultural heritage and the creative sector.

Interested experts are invited to submit their name, contact details and CV by **26 February 2020** to the **Mauritius National Commission of UNESCO** by email on **unescodesk@govmu.org**

**20 February 2020**
