OVERVIEW OF THE FUNCTIONS OF THE POST

Under the overall authority of the Assistant Director-General for Education and the direct supervision of the Director of the ClusterOffice for the Caribbean, the incumbent of the post will be responsible for the overall management and implementation of UNESCO's Regular Programme Activities as well as extra-budgetary projects in the field of Education for the Caribbean. S/he will contribute and support the effective implementation of the UNESCO Education Sector Strategy and will also play a significant role in policy and strategy direction of the office, in resource optimization and mobilization. Within this context, the incumbent's main activities will be to:

- Conceptualize, design, plan, develop, coordinate, monitor and implement the Education Strategy; participate in identifying strategic issues, opportunities and risks to effectively integrate them into organizational objectives; provide technical advice and backstopping in the following areas: accelerating progress towards SDG4 - Education 2030 Agenda, building quality inclusive education system, supporting education system responses to contemporary challenges for sustainable development and culture of peace and non-violence, and reinforcing leadership for Education 2030 through advocacy, partnership and monitoring;
- Design, plan, organize and coordinate activities in the field of Sector-wide Policy and Planning, Literacy, Teachers and Technical vocational education and training (TVET); Global Citizenship Education (peace-building and no-violence) and Education for Sustainable Development;
- Develop, coordinate and monitor extra-budgetary projects and ensure periodic reviews and reporting, and sharing of information related to Education 2030, Education for Sustainable Development, TVET, Global Citizenship Education and Education for Sustainable Development;
- Identify key internal and external stakeholders, develop and maintain professional collaboration and partnerships at regional and global levels on education issues and learning assessments, including planning, implementation and monitoring of advocacy activities jointly organized with networks and partners;
- Design and coordinate the implementation of a capacity development programme in strategic planning in education and provide technical contribution to sub-regional organisations;
- Develop joint programmes and projects with other UN agencies and ensure UNESCO participation in to Common Country Assessment (CCA), UN-Multicountry Sustainable Development Framework (MSDF), UN- Sustainable Development Country Framework (UNSDCF) and all other joint UN programmatic strategic exercises becoming an active member of the United Nations Country Team (UNCT) in the countries covered by the office;
- Mobilize extra budgetary resources to support sector-wide planning, education policy analysis, education sector assessment and sector management among Member States in the region in line with country policy priorities, the regional Education Support Strategy and overall resource mobilization strategies of UNESCO, by preparing project proposals and cooperation frameworks with Member States and donor agencies and by engaging in fundraising activities;
- Carry out project management, including backstopping, technical, and financial and human

resources management. Coordinate and supervise of the office's education team, identifying human and technical resource needs, recruitment and performance management.
