1.4 Statement of Purpose

The statement of purpose is a critical part of the application process for graduate admission, which helps in ascertaining seriousness and aptitude of the applicant. It is the only part of the process that you have complete control over; you cannot change your Grades/GPA, but you can determine the finished product of your statement. It should demonstrate excellence in writing and clarity of thinking. It is a chance to introduce yourself and describe who you are; what your background is; and what is important to you. More importantly, the statement of purpose is an opportunity for an applicant to describe their purpose in pursuing graduate
