(No. 1 B/532) **Mr G. Gunness (Third Member for Montagne Blanche and GRSE)** asked the Minister of Education and Human Resources whether, in regard to the survey on the means of transport used by students to attend secondary schools, he will state if taxis were included in the survey form as one of the means of transport and, if not, why not.

The Minister of Labour, Industrial Relations & Employment (Dr. V. Bunwaree): Mr Speaker, Sir, I am informed that taxis, as such, were not specifically included in the survey on the means of transport used by students to attend secondary schools.

However, provision was made in the survey form for students who were not travelling either by public bus or contract school bus to indicate whether they were using their own transport which could also include taxis.
