

INTERNATIONAL STUDENTS

Since its establishment in 1864, Government College, Lahore, has attracted students from all over the world. The institution has produced two Nobel Laureates: Prof Abdus Salam (1926-1996) and Prof Har Gobind Khurana (1922-2011). Over the years, the academic life has been re-shaped in accordance with the contemporary challenges. The University is committed to promote quality education for all, irrespective of race, religion and region. Our academic community is inquisitive, thoughtful and independent in pursuit of knowledge. International students are welcomed to apply for admissions in all degree programmes.
